N. Glantz & Son Updates Website, Includes Online Ordering

N. Glantz & Son is pleased to announce the release of its newly updated website: www.nglantz.com. The new site is loaded with upgraded features – most importantly, new online ordering capability.

Highlights of the Online Ordering system include:

- The option to purchase 24 hours a day/7 days a week
- An easy-to-use Shopping List, allowing buyers to make their transactions with a single click
- Fast access to purchasing history
- In depth account information

In addition to the new Online Ordering system, www.nglantz.com has been completely overhauled. The improvements include a new user-friendly format, streamlined navigation, and an online version of the N. Glantz & Son Digital Media and Substrates Catalog.

“The new www.nglantz.com is a big step forward for our company,” says Davey Glantz, President. “Our customers have asked for online access to their accounts; we’re happy to provide them this alternative channel to assist in their purchasing and account maintenance.”

N. Glantz & Son, the largest full line sign and graphics supplies company in America, has been family owned and operated since 1906, with corporate offices in Louisville, KY. Calling toll-free 1.866.NGLANTZ (645.2689) will automatically connect you to your closest Glantz branch.
