FOUNDED 1906

Buy 10 Keystone Ballasts and get 10% off your total Keystone purchase.

Mix and match. While supplies last. Offer good from April 17 - May 26.

Our SmartWire sign ballasts wire exactly the same as legacy magnetic sign ballasts, so upgrading from magnetic to electronic is effortless. Plus, with Keystone's quality and dependability, you can count on your installation to last, maintenance-free, for years to come.

- SmartWire Technology: Wires exactly the same as traditional magnetic ballasts for seamless compatibility and installation.
- Lightweight: Using solid-state technology, SmartWire electronic sign ballasts weigh up to 50% less than heavy magnetic ballasts, making transporting and handling significantly easier.
- Versatile: Just 5 SmartWire ballasts operate both T8HO and T12HO lamps, reducing inventory without sacrificing application options.
- 4 Year Warranty

Model	NO. OF LAMPS	LAMP FOOTAGE	INPUT VOLTAGE	GLANTZ CODE
